OUR JOURNEY

FROM TWO DREAMS TO THOUSANDS

A decade of hope, hard work and heart.
Together, we have transformed thousands of lives.

2016

SEEEDS was founded with a mission to support talented but financially underprivileged students.

We started by supporting just 2 deserving students.

2017 - 2018

More volunteers joined hands.
More donors believed in our vision.

Our support expanded.

2019 - 2021

Hundreds of students received educational support.
We strengthened our processes and reach across Tamil Nadu.

Lives began to change.

2022 - 2024

Our community grew stronger.
More partnerships, more mentors, more opportunities.

The impact multiplied.

2025 - 2026

Today, we are proud to have supported more than

1000+
students.

And this is just the beginning!
